

## Two-day Masterclass on AI within IP law

Mark your calendars for a two-day Masterclass on Artificial Intelligence (AI) within Intellectual Property (IP) law.

**We are thrilled to send you an invitation for an upcoming DIFI-event  
24th – 25th September 2024.**

As the legal landscape evolves with technological advancements, understanding the implications of AI development and use as it relates to IP development and management becomes crucial.

This two-day event is structured to offer you a deep dive into the current and future state of AI in our field, featuring expert insights from leaders in the domain, among others:

- **Dennis Pultz, Novonesis**
- **Ana Maria Eugénio, Topsoe**
- **Christian Kragelund, DLA Piper**
- **Laura Jeffords Greenberg, LEGIT AI**

### Date and time

24th – 25th September 2024 from 08.30 – 17.00.

### Address

IDA Conference  
Kalvebod Brygge 31  
1560 Copenhagen

### How to reserve your place:

To reserve your place at this exclusive event, please register your name by **22 May** by using this link: <https://difi.dk/masterclass-program-og-tilmelding/>  
Please note, registration is not binding; it simply helps us ensure that we can accommodate all attendees. A more detailed agenda and information on registration will follow.

### Express your interests:

Your expertise and perspectives are valuable to this collective exploration of AI's potential and challenges in our field. We invite you to share any specific topics or areas of interest related to AI that you would like to see covered during the Masterclass. Your input will assist us in tailoring the agenda to meet the specific interests of our attendees.
